Wayne/Rob,

Could you send us copies of the Chain of Custody Forms for Mid America Steel Drum: St. Francis sampling? The writing on the carbon copies is not as easy to read so we would like the originals. We will be including them in our sampling reports.

There should be forms for three days of sampling: Aug 30, 2017; July 17, 2017; and May 4, 2017.

Thanks!
